

**TEMPORARY CLOSURE OF LEGION SECTION
AT NORTHWAY CEMETERY**

The Legion section of Northway Cemetery has been cordoned off temporarily, due to health and safety concerns. The annual raking of pine needles from the area has not taken place yet, due to the redeployment of staff to cover a shortage in grass cutters.

As soon as this piece of annual maintenance is complete, the Legion section of Northway Cemetery will be reopened.

The rest of the Northway Cemetery remains open to the public.
